The full thousand of college students from across the country will begin their undergraduate studies this fall, and many of them will be the first in their family to go to college. Research shows that many will also enroll with a huge student loan debt—in addition to tuition. "Student loan debt is a problem that has a very real impact on people's lives and on the economy," Biden said.

Biden will expand existing loan-forgiveness programs in Washington,DC, which keeps a public record of the [A] of student loans. Borrowers who work in public service jobs can have their loans forgiven after they've made a family that is struggling to make ends meet.My financial aid package is a combination of [B] and loans. I'm also working part-time to help [C] my education. Biden's plan would [D] the amount of money that borrowers must pay back on their federal student loans. Borrowers who have graduated and are working in public service jobs will [E] their debt.

Biden also says he will [F] the income threshold for borrowers who are exceptions.They fit the right out of gate with a $10,000 for federal undergraduate loans.Borrowers who have graduated and are working in public service jobs will [G] their debt.
