2022年6月四级真题第3套

年份 2022 | 月份 6 | 第 三 套 | 时长 125 分钟 | 满分 710（及格 425）

听力 (Listening)

Section A news

短新闻

🎧 听力音频：audio/SectionA.mp3（请使用离线包 papers 目录下对应 audio 文件夹播放）

1. **What do we learn about the news study from the news report?**

   A. It studied the effects of exercise on sleep.

   B. Its participants came from various walks of life.

   C. Its findings confirmed those of previous studies.

   D. It ran for as long as some thirty years.

2. **What is the scientist's recommendation?**

   A. Eating more vegetables instead of meats.

   B. Drinking water instead of beverages with added sugar.

   C. Consuming more energy drinks and sports drinks.

   D. Forming the habit of exercising regularly.

3. **What do we learn about the 64-year-old man?**

   A. He asked them about his lost paintings.

   B. He knew the owner of two missing paintings.

   C. He left his paintings at a highway rest stop.

   D. He found two 17th-century oil paintings.

4. **What is the art expert's conclusion about the two framed paintings?**

   A. They are imitations.

   B. They are originals.

   C. They were stolen by an Italian boy.

   D. They came from the same artist.

5. **What did the four-year-old girl attempt to do?**

   A. Look after her grandfather.

   B. Leave the remote cold region.

   C. Save her sick grandmother.

   D. Flee from the threat of bears.

6. **What do we learn from the news report about the girl's mother?**

A. She has to face a criminal charge.

B. She was found lying motionless in the snow.

C. She searched for her daughter in freezing cold.

D. She works in childcare services.

7. **What happened to the little girl according to the news report?**

A. She was found in a forest after three days.

B. She lay totally unconscious for three days.

C. She suffered from the effects of severe cold.

D. She was finally rescued by her relatives.

Section B conversations

长对话

🎧 听力音频：audio/SectionB.mp3（请使用离线包 papers 目录下对应 audio 文件夹播放）

1. **What does the woman say about her new friend Susan?**

   A. She shows a real passion for taking photos.

   B. She has just returned from her hometown.

   C. She comes from the city of Cape Town.

   D. She has a truly amazing appearance.

2. **What does the woman say about table mountain?**

   A. It is as famous as Cape Town.

   B. It has a flat surface at the top.

   C. It is green and free from pollution.

   D. It was named by European settlers.

3. **What do we learn from the conversation about the woman's friend Susan?**

   A. She has British ancestors.

   B. She is of mixed blood.

   C. She grew up in India.

   D. She speaks several languages.

4. **What does the woman say about rugby in South Africa?**

   A. It is an extremely violent sport.

   B. It is becoming a national sport.

   C. It is originated in New Zealand.

A. Its details cannot be renegotiated.

B. It has to be carried out to the letter.

C. It strengthens business partnerships.

D. Its terms may not be strictly binding.

阅读 (Reading)

Section A word_fill

选词填空

You might think of your teeth as tools, like built-in knives and forks, but if they are mere tools, why do they feel pain and wouldn't it be better if they could just __26__ under any condition? In spite of our __27__ discomfort, it turns out there's a good reason our teeth are so sensitive. Tooth pain is a __28__ mechanism that ensures when a tooth is being damaged we'll notice and do something about it.
If we eat something too hot or too cold, or if the tooth is worn down enough where the tissue __29__ is exposed, all of those things cause pain, and then the pain causes the person not to use that tooth to try to protect it a little bit more. So it's really a protective mechanism more than anything else. If teeth didn't feel pain, we might __30__ to use them in situations that damage them, and for humans, damaging __31__ teeth is a problem because, unlike crocodiles, we can't __32__ them.
Teeth have three layers, only one of which-the innermost layer of the tooth-can hurt, as that layer of the tooth __33__ both blood vessels and nerves. Pain is the only feeling to which the nerves in that layer respond. Whereas people with tooth sensitivity may complain, for example, of tooth pain __34__ by heat or cold, the nerves in the inner layer don't sense temperature. Rather, they feel pain, which may be __35__ with, say, drinking something very cold

Word Bank:

- adult
- associated
- chew
- contains
- continue
- defense
- dental
- downward
- emotional
- implies
- mammal
- replace
- swallow
- triggered
- underneath

Section B paragraph_matching

段落匹配

Section C reading_comprehension

阅读理解

写作 (Writing)

Directions: Suppose you are going to write a proposal to your school clinic for improving its service. You are to write about its current problems and possible solutions to these problems. You will have 30 minutes to write the proposal. You should write at least 120 words but no more than 180 words.

建议时间：30 分钟 | 字数：120-180 | 分值：15

作答区

翻译 (Translation)

Directions: For this part, you are allowed 30 minutes to translate a passage from Chinese into English. You should write your answer on Answer Sheet 2.

从前，有个农夫正在地里耕作，突然看见一只兔子飞奔而过，撞在一棵大树上死了。农夫毫不费力就吃到了兔肉，心里非常高兴。他想，“如果总是这样该多好啊厂'于是，他不再耕作,每天守候在那棵树旁，等待着能再捡到撞死在树上的兔子。他等呀等，等了一天又一天，田地也荒芜了，却再也没有等到第二只兔子。人们因而都嘲笑他把偶然当成了必然。

建议时间：30 分钟 | 分值：15

听力原文 / Transcripts

News Transcript (EN)

1
00:00:00,000 --> 00:00:06,280
College English Test and 4. Part 2. Listening Comprehension

2
00:00:07,000 --> 00:00:15,040
Section A. Directions. In this section you will hear 3 news reports. At the end of each news

3
00:00:15,040 --> 00:00:21,300
report you will hear 2 or 3 questions. Both the news reports and the questions will be spoken

4
00:00:21,300 --> 00:00:27,860
only once. After you hear a question you must choose the best answer from the 4 choices

5
00:00:27,860 --> 00:00:36,120
marked A, B, C, and D. Then marked the corresponding letter on Ancestsheet 1 with a single

6
00:00:36,120 --> 00:00:37,460
line through the center.

7
00:00:39,180 --> 00:00:46,220
News report 1. A new study finds that beverages containing added sugar might be harmful.

8
00:00:46,960 --> 00:00:55,580
In the study, researchers analyzed information from over 80,000 women and 37,000 men. Participants

9
00:00:55,580 --> 00:01:00,780
worked in the health profession. They were followed for approximately three decades.

10
00:01:01,520 --> 00:01:07,560
They completed surveys about their diet every four years. They also answered questions

11
00:01:07,560 --> 00:01:14,740
about sleep and exercise and health every two years. The more beverages containing added

12
00:01:14,740 --> 00:01:21,040
sugar that people drank, the greater the risk of death was during the study period. These

13
00:01:21,040 --> 00:01:25,680
beverages included soda, energy drinks and sports drinks.

14
00:01:26,360 --> 00:01:31,580
Beverage is like pure fruit juice, which are sweet but do not contain added sugar,

15
00:01:32,120 --> 00:01:33,500
were not part of the study.

16
00:01:34,440 --> 00:01:39,840
The findings held even after the researchers considered other factors that could affect

17
00:01:39,840 --> 00:01:40,700
people's health.

18
00:01:41,400 --> 00:01:46,400
These factors included lack of exercise and not eating enough vegetables.

19
00:01:46,400 --> 00:01:50,540
They also included consuming too much meat.

20
00:01:51,580 --> 00:01:56,540
The scientists say that their results support limiting beverages with added sugar.

21
00:01:57,180 --> 00:02:02,560
They argue we should replace them with other drinks, with water being the best choice.

22
00:02:03,180 --> 00:02:06,980
However, the researchers admit this is simply their recommendation.

23
00:02:07,800 --> 00:02:10,199
The study found only an association.

24
00:02:11,060 --> 00:02:15,040
It did not prove that drinks with added sugar cause early death.

25
00:02:15,980 --> 00:02:21,460
Questions 1 and 2 are based on the news report you have just heard.

26
00:02:22,260 --> 00:02:23,420
Question 1.

27
00:02:24,120 --> 00:02:27,240
What do we learn about the new study from the news report?

28
00:02:40,660 --> 00:02:42,100
Question 2.

29
00:02:42,100 --> 00:02:45,520
What is the scientists' recommendation?

30
00:02:58,560 --> 00:03:00,100
News report too.

31
00:03:01,220 --> 00:03:08,500
German police appealed Friday for information about the possible owners of two 17th-century oil paintings.

32
00:03:09,640 --> 00:03:15,860
Police said, a 64-year-old man found the paintings in a garbage pile at a highway

33
00:03:15,860 --> 00:03:17,780
rest stop last month.

34
00:03:18,520 --> 00:03:21,160
He later handed them in to the Colone Police.

35
00:03:22,120 --> 00:03:28,120
An initial assessment by an art expert concluded the two framed paintings were originals,

36
00:03:28,320 --> 00:03:29,080
Police said.

37
00:03:29,960 --> 00:03:36,100
One is a landscape painted by the Italian artist Pietro Belotti dating to 1665.

38
00:03:36,880 --> 00:03:44,000

The other is a painting of a boy by the 17th century Dutch artist Samuel Van Hoogstraden,

39
00:03:44,000 --> 00:03:51,260
date unknown. Their combined worth is estimated to be around 1 million euros. Authorities

40
00:03:51,260 --> 00:03:56,720
have not yet confirmed what will happen if the rightful owner is not found. Nevertheless,

41
00:03:57,240 --> 00:04:01,960
it is speculated that they could either be handed over to the National Art Museum of

42
00:04:01,960 --> 00:04:05,400
own, or sold to the public by the local government.

43
00:04:31,999 --> 00:04:39,060
Question 4. What is the art experts conclusion about the two framed paintings?

44
00:04:52,640 --> 00:05:01,000
New's Report 3 A four-year-old girl has walked eight kilometers through a snowy forest

45
00:05:01,000 --> 00:05:05,720
to seek help for her sick grandmother, who later died of a heart attack.

46
00:05:05,720 --> 00:05:12,100
The young girl braved the threat of bears, wolves, and temperatures far below freezing.

47
00:05:12,800 --> 00:05:18,960
She made the journey through a remote region in Siberia after waking up to find her grandmother

48
00:05:18,960 --> 00:05:20,140
motionless.

49
00:05:20,900 --> 00:05:27,820
Named locally as Carla, she lives alone with her elderly grandmother and her blind grandfather.

50
00:05:28,720 --> 00:05:32,820
As a result, the girl's mother is facing a criminal case.

51

00:05:32,820 --> 00:05:38,640
She stands accused of leaving a minor in danger in the care of the elderly.

52
00:05:39,420 --> 00:05:46,280
She also faces investigation from child care services, who will also be asking why Carla

53
00:05:46,280 --> 00:05:49,040
was left alone with her vulnerable relatives.

54
00:05:50,140 --> 00:05:56,600
The journey took place in February when temperatures average negative 26 degrees Celsius.

55
00:05:56,600 --> 00:06:03,920
Russian reports on social media suggest the forced may have been as cold as negative 34

56
00:06:03,920 --> 00:06:10,280
degrees Celsius. The journey was only recently confirmed by authorities. But though she

57
00:06:10,280 --> 00:06:16,600
was suffering from the effects of extreme cold, the child reportedly suffered no life-threatening

58
00:06:16,600 --> 00:06:23,700
effects. Last year, a three-year-old boy survived alone for three days in a remote forest

59
00:06:23,700 --> 00:06:25,300
in the same region.

60
00:06:26,600 --> 00:06:31,260
Questions 5-7 are based on the news report you have just heard.

61
00:06:32,100 --> 00:06:33,260
Question 5.

62
00:06:34,040 --> 00:06:37,280
What did the four-year-old girl attempt to do?

63
00:06:50,100 --> 00:06:51,440
Question 6.

64
00:06:51,440 --> 00:06:56,540
What do we learn from the news report about the girl's mother?

65
00:07:09,380 --> 00:07:10,820
Question 7.

66
00:07:11,820 --> 00:07:15,360
What happened to the little girl according to the news report?

Conversations (EN)

1
00:00:02,060 --> 00:00:09,300
Section B Directions In this section, you will hear two long conversations.

2
00:00:10,300 --> 00:00:14,380
At the end of each conversation, you will hear four questions.

3
00:00:15,260 --> 00:00:19,880
Both the conversation and the questions will be spoken only once.

4
00:00:20,860 --> 00:00:25,860
After you hear a question, you must choose the best answer from the four choices,

5
00:00:25,860 --> 00:00:36,240
Marked A, B, C, and D. Then marked the corresponding letter on answer sheet 1, with a single line through the center.

6
00:00:38,940 --> 00:00:40,020
Conversation 1

7
00:00:40,380 --> 00:00:46,020
I've made a new friend recently. Her name is Susan and she's from South Africa.

8
00:00:46,920 --> 00:00:53,180
How did you meet her? We met over WeChat. She has very cool photos on her social media.

9
00:00:53,180 --> 00:00:56,620
The photos of her hometown look amazing.

10
00:00:57,540 --> 00:00:59,280
What's her hometown called?

11
00:00:59,600 --> 00:01:01,440
It's called Cape Town.

12
00:01:01,860 --> 00:01:04,599
It's in the southwest of South Africa.

13
00:01:05,220 --> 00:01:08,020
She says it's very green and windy.

14
00:01:08,680 --> 00:01:11,440
The city was built by European settlers.

15
00:01:12,060 --> 00:01:15,300
And there's a big mountain that overlooks the city.

16
00:01:15,740 --> 00:01:21,220
The mountain is called Table Mountain because it's flat at the top.

17
00:01:21,220 --> 00:01:25,440
That sounds interesting. What are the people there like?

18
00:01:26,020 --> 00:01:34,580
Well Susan says South Africa is very mixed. There are black people and white people and Indian

19
00:01:34,580 --> 00:01:42,040
people. Susan is white. She says her ancestors were from Britain. Many languages are spoken

20
00:01:42,040 --> 00:01:45,480
in South Africa, but she only speaks English.

21
00:01:45,480 --> 00:01:50,220
Didn't South Africa host the football world cup a few years ago.

22
00:01:50,800 --> 00:01:53,040
They must play football a lot then, right?

23
00:01:53,780 --> 00:01:57,680
I think they play football, but it's not as popular as rugby.

24
00:01:58,580 --> 00:01:58,800
Rugby?

25
00:01:59,480 --> 00:02:00,120

What's rugby?

26
00:02:00,980 --> 00:02:07,180
Rugby is a sport with two teams and the players carry the ball in their arms and throw

27
00:02:07,180 --> 00:02:08,180
it at each other.

28
00:02:08,560 --> 00:02:12,240
The ball is not round, and the players push each other.

29
00:02:12,240 --> 00:02:17,120
I don't really understand the rules. I think it's very complicated.

30
00:02:18,120 --> 00:02:24,120
That sounds like a very strange sport, indeed. Is it only South Africa that plays it?

31
00:02:24,680 --> 00:02:32,260
No, it's also popular in Britain and in other former British colonies like Australia and New Zealand.

32
00:02:34,020 --> 00:02:38,780
Questions 8 to 11 are based on the conversation you have just heard.

33
00:02:38,780 --> 00:02:45,400
Question 8. What does the woman say about her new friend Susan?

34
00:02:58,000 --> 00:03:03,880
Question 9. What does the woman say about table mountain?

35
00:03:17,160 --> 00:03:24,700
Question 10. What do we learn from the conversation about the woman's friend Susan?

36
00:03:37,739 --> 00:03:43,880
Question 11. What does the woman say about rugby in South Africa?

37
00:03:58,980 --> 00:04:05,340
Conversation 2 Hi Jennifer, I'm really struggling with this semester's workload.

38

00:04:06,140 --> 00:04:07,620
Do you have any advice?

39
00:04:08,400 --> 00:04:11,000
Have you considered making a study guide?

40
00:04:11,560 --> 00:04:15,900
It's a tool you can make yourself to take the stress out of studying.

41
00:04:16,720 --> 00:04:22,580
I've been using one since the start of last semester and it has really helped relieve

42
00:04:22,580 --> 00:04:25,060
a lot of study pressure.

43
00:04:25,840 --> 00:04:27,560
Sounds like just what I need.

44
00:04:28,200 --> 00:04:36,180
My main problem is that my study folder is full of notes and worksheets and is badly disorganized.

45
00:04:36,900 --> 00:04:38,360
I don't know where to start.

46
00:04:39,100 --> 00:04:44,800
Okay, well, the main thing is to have everything in the right place.

47
00:04:45,480 --> 00:04:50,540
Whatever you're reviewing, it's important that it's arranged for your particular needs

48
00:04:50,540 --> 00:04:51,620
of that subject.

49
00:04:51,620 --> 00:04:58,040
And in the most user-friendly way you can, what kind of learner are you?

50
00:04:58,280 --> 00:05:00,380
Hmm, I'm not sure.

51
00:05:01,660 --> 00:05:09,000
Well, visual learners prefer using images, pictures, colors, and maps to organize information.

52
00:05:09,900 --> 00:05:16,600
Logical learners have a linear mind, and would rather use logic, reasoning, and systems.

53
00:05:16,600 --> 00:05:24,560
I'm an emotional learner, which means I need to connect to information emotionally to understand it.

54
00:05:24,900 --> 00:05:30,300
Oh, I'm very much dependent on vision as a way of taking in information.

55
00:05:31,540 --> 00:05:37,920
Well, I suggest reorganizing your notes using color coded sections in your study guides,

56
00:05:38,440 --> 00:05:44,400
or using idea mapping to lay out the information and make it more quickly accessible.

57
00:05:44,400 --> 00:05:51,540
So you think I should arrange my notes using colour and pictures in place of text?

58
00:05:52,180 --> 00:05:58,520
Yes, you'll probably start to grasp information a lot quicker that way. As an emotional

59
00:05:58,520 --> 00:06:05,380
learner, I organize my notes into a story that I can connect to and recite to myself.

60
00:06:05,980 --> 00:06:11,140
That's amazing. I didn't know there were so many different ways to learn.

61
00:06:11,140 --> 00:06:18,080
Questions 12-15 are based on the conversation you have just heard.

62
00:06:19,280 --> 00:06:20,120
Question 12.

63
00:06:21,220 --> 00:06:23,780
What does the woman advise the man do?

64
00:06:36,680 --> 00:06:38,500
Question 13.

65
00:06:38,500 --> 00:06:44,400
What is the biggest problem the man has with his studies?

66
00:06:57,460 --> 00:06:59,020
Question 14.

67
00:07:00,280 --> 00:07:03,980
What kind of learner does the woman say she is?

68
00:07:17,699 --> 00:07:19,020
Question 15.

69
00:07:20,120 --> 00:07:24,200
What does the woman think the man can do with his notes?

Passages (EN)

1
00:00:02,200 --> 00:00:11,240
Section C. Directions. In this section, you will hear three passages. At the end of each passage,

2
00:00:11,700 --> 00:00:19,260
you will hear three or four questions. Both the passage and the questions will be spoken only

3
00:00:19,260 --> 00:00:26,800
once. After you hear a question, you must choose the best answer from the four choices marked

4
00:00:26,800 --> 00:00:35,440
A, B, C, and D. Then mark the corresponding letter on answer sheet 1 with a single line

5
00:00:35,440 --> 00:00:36,600
through the center.

6
00:00:38,300 --> 00:00:46,420
Passage 1. The golden rule is a moral principle, which states that you should treat others

7
00:00:46,420 --> 00:00:53,780
the way you want to be treated yourself. For example, if you want people to treat you

8
00:00:53,780 --> 00:01:01,700
respect, you should treat them with respect. Different people tend to be exposed to different

9
00:01:01,700 --> 00:01:08,780
forms of the golden rule, based on factors such as the religion in their society. However,

10
00:01:09,300 --> 00:01:16,280
all forms of the golden rule revolve around the same concept. Namely, they help you treat

11
00:01:16,280 --> 00:01:22,880
others better, by using the way you yourself would want to be treated as a guide of how

12
00:01:22,880 --> 00:01:30,620
to behave. A notable criticism of the Golden Rule is that its application can lead to undesirable

13
00:01:30,620 --> 00:01:38,840
outcomes when it conflicts with laws and ethical principles. For example, if someone breaks

14
00:01:38,840 --> 00:01:45,720
the law, the Golden Rule would suggest that we should let them go because we would not want

15
00:01:45,720 --> 00:01:52,500
to be punished ourselves. However, this issue with the Golden Rule can be dealt with in

16
00:01:52,500 --> 00:01:59,580
general manner. By viewing this principle as one of several principles that we use to guide

17
00:01:59,580 --> 00:02:07,340
our behavior as individuals and as a society. Specifically, in the example described above,

18
00:02:07,740 --> 00:02:14,800
most individuals and societies choose to place laws and ethical principles above the golden

19
00:02:14,800 --> 00:02:21,740
rule. This means that they strive to implement the golden rule whenever possible, as long

20
00:02:21,740 --> 00:02:25,880
as it doesn't clash with a more important concept.

21
00:02:27,360 --> 00:02:32,220
Questions 16 to 18 are based on the passage you have just heard.

22
00:02:33,080 --> 00:02:34,120
Question 16.

23
00:02:35,360 --> 00:02:38,560
What do we learn from the passage about the Golden Rule?

24
00:02:51,740 --> 00:02:58,940
Question 17. What is a notable criticism of the Golden Rule?

25
00:03:11,720 --> 00:03:19,880
Question 18. What does the example of someone breaking the law served to show?

26
00:03:33,400 --> 00:03:35,520
Passage 2

27
00:03:35,520 --> 00:03:42,540
Today, many large corporations stress the importance of diversity on their websites.

28
00:03:43,320 --> 00:03:51,100
But current statistics show that the typical manager in America still tends to be white and male.

29
00:03:51,100 --> 00:03:58,860
Obviously, the desire to bring about diversity has not translated into corporate reality.

30
00:03:59,880 --> 00:04:07,220
Why is this? A team of researchers from the University of Basel published their new study

31
00:04:07,220 --> 00:04:11,580
about people's attitudes towards diversity at work.

32
00:04:12,520 --> 00:04:17,899
They found that people have a wide range of opinions concerning diversity.

33
00:04:17,899 --> 00:04:25,820
On the one hand, many see value in diversity, which can contribute a variety of perspectives,

34
00:04:26,560 --> 00:04:31,100
encourage new ideas, and generate innovative solutions.

35
00:04:32,180 --> 00:04:38,720
On the other hand, they assume that it might be difficult to work with someone who has

36
00:04:38,720 --> 00:04:40,580
completely different views.

37
00:04:41,480 --> 00:04:46,060
Speak a different language, or has a different style of work.

38
00:04:46,060 --> 00:04:53,360

The actual value they attribute to diversity depends on the decision making perspective.

39
00:04:54,200 --> 00:05:01,160
Doubts about the practical ability of diversity have a greater weight if a person is

40
00:05:01,160 --> 00:05:02,200
directly affected.

41
00:05:02,840 --> 00:05:09,260
In other words, when a person's own work group is involved, they tend to prefer teen members

42
00:05:09,260 --> 00:05:11,300
who are similar to themselves.

43
00:05:11,300 --> 00:05:17,820
But, when people make decisions for others, they typically put together a more diverse

44
00:05:17,820 --> 00:05:18,440
team.

45
00:05:19,200 --> 00:05:23,580
These findings could help organizations become more diverse.

46
00:05:24,420 --> 00:05:29,440
Companies need to pay attention to who makes hiring and team decisions.

47
00:05:30,300 --> 00:05:35,160
These decisions should not only be made by those directly affected.

48
00:05:35,160 --> 00:05:42,420
People who are not directly involved in the group's daily work should also take part.

49
00:05:44,140 --> 00:05:49,760
Questions 19-21 are based on the passage you have just heard.

50
00:05:50,880 --> 00:05:51,780
Question 19.

51

00:05:52,980 --> 00:05:58,700
What do we learn from the current statistics about diversity in large corporations?

52
00:06:11,860 --> 00:06:18,620
Question 20. What is the newly published study focused on?

53
00:06:31,140 --> 00:06:36,840
Question 21. What do the findings of the new study show?

54
00:06:50,400 --> 00:06:52,320
Passage 3.

55
00:06:53,060 --> 00:06:57,440
Communication can essentially be divided into two categories.

56
00:06:58,420 --> 00:07:00,160
The written and the spoken.

57
00:07:01,340 --> 00:07:07,220
How the balance is struck between these two forms of communication, the point at which one

58
00:07:07,220 --> 00:07:12,540
needs to be exchanged for another really depends on individual cultures.

59
00:07:12,540 --> 00:07:21,080
Understanding when it's appropriate to exchange one form for another can be a major key to

60
00:07:21,080 --> 00:07:29,500
success in international business. Many cultures place a much greater value on the spoken word

61
00:07:29,500 --> 00:07:37,120
than the American working culture does. In parts of the Middle East, your find spoken word

62
00:07:37,120 --> 00:07:45,020
agreements are seen as seriously binding. A person's word is linked to their honor. So

63
00:07:45,020 --> 00:07:52,140
verbal agreements are seen as important, whereas written contracts are taken as memos

64
00:07:52,140 --> 00:07:58,620
of understanding. Western working culture tends to place a high value on the written

65
00:07:58,620 --> 00:08:06,700
word, and this reaches its highest level of intensity when it comes to contracts. In the

66
00:08:06,700 --> 00:08:14,080
U.S,France and Germany, written contracts tend to be seen as something that must be strictly

67
00:08:14,080 --> 00:08:21,860
carried out. By contrast, other cultures may not see written contracts as quite so binding.

68
00:08:22,860 --> 00:08:29,300
It can prove a challenge to Western businesses if your business partner wants to renegotiate

69
00:08:29,300 --> 00:08:36,780
terms that you thought were already agreed on. For example, a Japanese firm may have signed

70
00:08:36,780 --> 00:08:45,220
a contract, but they may not feel bound by every detail of it. Particularly if circumstances

71
00:08:45,220 --> 00:08:53,240
later change. Such differences in value that different working cultures place on the written word

72
00:08:53,240 --> 00:08:58,220
tend to cause many problems when it comes to business relationships.

73
00:09:00,300 --> 00:09:05,500
Questions 22-25 are based on the passage you have just heard.

74
00:09:06,520 --> 00:09:15,180
Question 22. What is a major key to success in international business according to the passage?

75
00:09:28,100 --> 00:09:37,980
Question 23 What does the passage say about spoken word agreements in some Middle East countries?

76
00:09:50,620 --> 00:09:52,700
Question 24

77
00:09:52,700 --> 00:09:57,980
What do we learn about the Western working culture?

78
00:10:11,040 --> 00:10:19,520
Question 25. How does a Japanese firm tend to view a written contract?

79
00:10:33,180 --> 00:10:35,660
That's the end of listening comprehension.
