00:00:00,000 --> 00:00:22,800
College English Test, Band 4, Part 2, Listening Comprehension, Section A, Directions. In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions, both the news report and the questions will be spoken only once.

2
00:00:22,800 --> 00:00:28,900
After you hear a question, you must choose the best answer from the four choices marked

3
00:00:28,900 --> 00:00:36,440
A, B, C, and D. Then mark the corresponding letter on answer sheet 1 with a single line

4
00:00:36,440 --> 00:00:37,500
through the center.

5
00:00:38,840 --> 00:00:45,540
News report 1. Operations at one of Australia's largest gold mines have to be temporarily

6
00:00:45,540 --> 00:00:52,580
suspended on Friday after a partial wall collapse at one of the mines dams. The wall

7
00:00:52,580 --> 00:00:58,760
collapse at the Kediomine came just a few days after two earthquakes hit the area.

8
00:00:59,840 --> 00:01:05,740
The damage to the dam wall was noticed in the late afternoon on Friday when workers found

9
00:01:05,740 --> 00:01:10,180
a section of the northern dam wall had collapsed into the southern dam.

10
00:01:11,220 --> 00:01:16,620
The dams contained waste products of mining and contained materials which are harmful

11
00:01:16,620 --> 00:01:19,080
to the environment and human health.

12
00:01:19,080 --> 00:01:25,900

The dams are generally constructed using Earthville and are gradually raised over time.

13
00:01:26,880 --> 00:01:33,160
The company was unable to confirm whether the recent earthquakes had contributed to the dam's wall collapse,

14
00:01:33,780 --> 00:01:37,140
but said it was conducting a thorough investigation.

15
00:01:38,760 --> 00:01:45,280
A company spokesperson said that operations at the site had been halted while the investigation is ongoing,

16
00:01:45,280 --> 00:01:49,260
And that the break had posed no safety threat to workers.

17
00:01:51,060 --> 00:01:55,000
Questions 1 and 2 are based on the news report you have just heard.

18
00:01:55,600 --> 00:02:00,960
Question 1. What happened at one of Australia's largest gold mines?

19
00:02:16,060 --> 00:02:21,120
Question 2. What did the spokesperson say about the incident?

20
00:02:36,120 --> 00:02:45,040
News report 2. Two boys and four girls were born on Monday to the surprise of a young couple and doctors who had

21
00:02:45,040 --> 00:02:51,760
expected five babies. This was the first record of six babies being born at the same time

22
00:02:51,760 --> 00:02:58,620
in that region. The doctors prepared from early in the morning to help deliver five tiny

23
00:02:58,620 --> 00:03:05,060
citizens. They were in the operating room with five teams of doctors, one for each baby.

24
00:03:06,080 --> 00:03:12,860
The first five babies were delivered successfully and all baby beds were occupied. And

25
00:03:12,860 --> 00:03:17,840
Then, all of a sudden, it turned out there was another waiting to come out.

26
00:03:18,900 --> 00:03:23,800
The doctor said the babies were in healthy condition, but could not go home immediately.

27
00:03:24,960 --> 00:03:30,000
They needed to stay in the hospital for two to three months for medical supervision.

28
00:03:31,260 --> 00:03:36,960
The mother, who was in stable condition, could return home a day later if all physical

29
00:03:36,960 --> 00:03:38,860
tests came back normal.

30
00:03:38,860 --> 00:03:45,200
The babies mother commented that they had already prepared room for five babies at home,

31
00:03:45,800 --> 00:03:49,360
so they will have to rearrange things for their happy surprise.

32
00:03:50,420 --> 00:03:56,440
The new parents have yet to name the sixth baby, but are considering either Lily or Rose.

33
00:03:57,300 --> 00:04:01,280
Questions 3 and 4 are based on the news report you have just heard.

34
00:04:01,900 --> 00:04:02,900
Question 3.

35
00:04:03,500 --> 00:04:06,260
What did the hospital do for the delivery of the babies?

36
00:04:21,480 --> 00:04:25,940
Question 4. What did the doctors say about the newborns?

37
00:04:40,640 --> 00:04:43,180
News Report 3

38
00:04:43,180 --> 00:04:50,200
A Spanish island called Palma Dora has been bought by a family from Europe for 18 million euros.

39
00:04:51,080 --> 00:04:55,200
The island is often described as heaven on earth by holiday makers.

40
00:04:56,340 --> 00:05:01,800
For decades tourists have been flocking to Palma Dora, which is located off the southeast coast

41
00:05:01,800 --> 00:05:02,500
of Spain.

42
00:05:03,260 --> 00:05:07,920
They come to enjoy its unspoiled beaches and crystal clear waters.

43
00:05:09,040 --> 00:05:13,240
Its natural beauty is protected as it lies inside a natural park.

44
00:05:14,240 --> 00:05:19,260
Although Paul Mador is one of the most famous private islands in the world, its seafront

45
00:05:19,260 --> 00:05:23,720
is public land and is a favorite destination for famous people.

46
00:05:24,420 --> 00:05:29,220
When the island was put up for sale, it was offered to the local government but proved

47
00:05:29,220 --> 00:05:35,320
too expensive for the local authorities. It is unclear whether the new owners have the power

48
00:05:35,320 --> 00:05:41,440
to ban tourists from the island, but with their newfound luxury comes the responsibility

49
00:05:41,440 --> 00:05:48,800
for its protection and maintenance. The island is less than two miles long and half a mile wide.

50
00:05:49,500 --> 00:05:55,340

It is said to have a remarkable location that few other private islands of this size can match

51
00:05:55,340 --> 00:05:57,520
according to a state agents.

52
00:05:58,680 --> 00:06:01,800
Palma Dora is the perfect place to retreat to.

53
00:06:02,100 --> 00:06:04,320
Somewhere to get away from the city noise

54
00:06:04,320 --> 00:06:09,020
and relax in beautiful surroundings with zero stress.

55
00:06:10,780 --> 00:06:15,180
Questions 5-7 are based on the news report you have just heard.

56
00:06:16,060 --> 00:06:17,040
Question 5.

57
00:06:17,640 --> 00:06:22,060
What do we learn from the news report about the Spanish island Palma Dora?

58
00:06:37,180 --> 00:06:42,960
Question 6. What do holiday makers come to Palma Dua to enjoy?

59
00:06:57,840 --> 00:07:03,000
Question 7. What do a state agents say about Palma Dore?

Conversations (EN)

1
00:00:01,139 --> 00:00:10,880
Section B, directions, in this section you will hear two long conversations. At the end of each conversation, you will hear four questions.

2
00:00:11,480 --> 00:00:23,100
Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices marked A, B, C, and D.

3
00:00:23,660 --> 00:00:28,940
Then mark the corresponding letter on answer sheet 1 with the single line through the center.

4
00:00:30,980 --> 00:00:35,080
Conversation 1 Hi, Christy's Jim Center, how can I help you?

5
00:00:35,820 --> 00:00:42,500
Hi, I'm calling to ask about the newly scheduled Jim classes. I'm just wondering if I can get a discount on them.

6
00:00:42,740 --> 00:00:49,840
Are you already a member? Yes, I signed up two months ago, but I haven't been to any of the group classes yet.

7
00:00:50,060 --> 00:00:53,720
Can I take your name please? Yes, my name's Carol Friedman.

8
00:00:53,720 --> 00:00:58,400
Carol Friedman, that's right, and you signed up two months ago.

9
00:00:59,000 --> 00:01:04,519
Currently, we are offering existing members discounts off two of our brand new classes,

10
00:01:05,160 --> 00:01:07,380
Hot Yoga and Advanced Spinning.

11
00:01:08,120 --> 00:01:11,900
But the discount doesn't apply to any of our regular classes I'm afraid.

12
00:01:12,540 --> 00:01:18,640

I'm only interested in the new classes, so how much of a discount is there on these two

13
00:01:18,640 --> 00:01:19,400
new classes?

14
00:01:19,400 --> 00:01:26,340
The same discount of 20% is being offered to everyone at the door on a first come first

15
00:01:26,340 --> 00:01:28,520
serve basis for the first month.

16
00:01:29,080 --> 00:01:31,560
It's a shame you missed out on the general discount.

17
00:01:31,840 --> 00:01:32,580
I see.

18
00:01:33,160 --> 00:01:37,220
But you can get 25% off if you sign up in advance.

19
00:01:38,060 --> 00:01:40,160
Which of the two classes are you thinking about?

20
00:01:40,560 --> 00:01:44,160
Well I guess I am only really interested in hot yoga.

21
00:01:44,480 --> 00:01:48,040
Can you sign me up for the 10 week course on Thursday evenings?

22
00:01:48,040 --> 00:01:51,000
Sure, would you prefer to pay an advance?

23
00:01:51,740 --> 00:01:55,440
No, I don't like giving my card details over the phone anyway.

24
00:01:55,880 --> 00:02:01,740
Okay then. As you are already a member, the fee for the class will just be added to your monthly bill.

25

00:02:01,920 --> 00:02:03,960
That's perfect. Thanks for your help.

26
00:02:04,260 --> 00:02:04,960
See you Thursday.

27
00:02:06,700 --> 00:02:10,960
Questions 8 to 11 are based on the conversation you have just heard.

28
00:02:11,660 --> 00:02:15,820
Question 8. What do we learn about the woman from the conversation?

29
00:02:30,940 --> 00:02:35,840
Question 9. What is the gym center doing right now?

30
00:02:50,940 --> 00:02:55,500
Question 10. What does the man say is a pity for the woman?

31
00:03:10,520 --> 00:03:15,520
Question 11. Why is the woman unwilling to pay an advance?

32
00:03:31,400 --> 00:03:32,680
Conversation 2

33
00:03:32,680 --> 00:03:37,440
Well, I think that was quite a successful trip in the end. Don't you think, Jenny?

34
00:03:38,060 --> 00:03:47,660
Absolutely. There are lots of great potential markets here in China. So I'm sure that the

35
00:03:47,660 --> 00:03:48,600
our research.

36
00:03:49,440 --> 00:03:51,960
Okay, we've got a bit of spare time now.

37
00:03:52,160 --> 00:03:54,500
Can we discuss the return trip to the head office?

38
00:03:55,000 --> 00:03:55,280
Sure.

39
00:03:55,800 --> 00:04:01,180
I've checked the availability of flights from Beijing to London on the 22nd, and you have

40
00:04:01,180 --> 00:04:01,720
a choice.

41
00:04:02,220 --> 00:04:07,000
There's a flight arriving the following morning with a two-hour stopover in Dubai.

42
00:04:07,760 --> 00:04:13,300
Or a flight arriving at 1130 in the evening with a five-hour stopover in Amsterdam.

43
00:04:14,040 --> 00:04:16,899
Right, well, that's obvious then, isn't it?

44
00:04:16,899 --> 00:04:22,480
Okay, so that's Dubai. I've booked a room in a hotel about a mile from the office.

45
00:04:22,820 --> 00:04:25,520
The nearest metro station is Earl's Court.

46
00:04:26,540 --> 00:04:32,040
Great. Can you find a map that shows where the hotel is and send it to me online?

47
00:04:32,780 --> 00:04:34,900
I've never been to the head office, you know.

48
00:04:35,300 --> 00:04:40,600
I want to see if I can get one of those rental bicycles and ride to the office just for fun.

49
00:04:41,500 --> 00:04:46,000
For the presentation, I'll bring my own laptop and hook it up to their projector.

50
00:04:46,000 --> 00:04:49,360
Do you remember the capacity of their meeting room?

51
00:04:49,620 --> 00:04:51,000
No, but I'll check.

52
00:04:51,640 --> 00:04:53,040
Just one more thing.

53
00:04:53,340 --> 00:04:56,160
I'll pay everything with my own card, right?

54
00:04:56,460 --> 00:04:58,660
And I'll submit my claims form afterwards?

55
00:04:59,200 --> 00:04:59,760
No problem.

56
00:05:00,180 --> 00:05:02,040
Just remember to keep all your receipts.

57
00:05:02,520 --> 00:05:04,780
You remember the trouble you had last time.

58
00:05:05,200 --> 00:05:07,600
Oh, don't remind me.

59
00:05:08,700 --> 00:05:13,320
Questions 12-15 are based on the conversation you have just heard?

60
00:05:14,220 --> 00:05:15,160
Question 12.

61
00:05:15,160 --> 00:05:18,080
Why are the speakers in China?

62
00:05:33,240 --> 00:05:34,160
Question 13.

63
00:05:34,880 --> 00:05:38,500

Where will the man stop over on his way to London?

64
00:05:53,599 --> 00:05:58,280
Question 14. What does the man ask the woman to do?

65
00:06:13,540 --> 00:06:14,420
Question 15.

66
00:06:15,560 --> 00:06:19,260
What did the woman remind the man to do at the end of the conversation?

Passages (EN)

1
00:00:01,719 --> 00:00:15,700
Section C, directions. In this section, you will hear three passages. At the end of each passage, you will hear three or four questions. Both the passage and the questions will be spoken only once.

2
00:00:16,340 --> 00:00:24,120
After you hear a question, you must choose the best answer from the four choices marked A, B, C, and D.

3
00:00:24,120 --> 00:00:29,680
Then mark the corresponding letter on answer sheet 1 with the single line through the center.

4
00:00:30,920 --> 00:00:32,020
Passage 1

5
00:00:32,020 --> 00:00:36,560
A new study has demonstrated the importance of women's rights.

6
00:00:37,340 --> 00:00:43,620
The researchers behind this study state that many parts of the world have made good economic progress,

7
00:00:44,100 --> 00:00:46,260
but women's rights are often overlooked.

8
00:00:47,320 --> 00:00:53,300
Thus, they wanted to determine if there was a link between protection of women's rights and public health.

9
00:00:53,300 --> 00:01:01,460
The researchers analyzed databases which held information from 162 countries for the period

10
00:01:01,460 --> 00:01:04,160
2004 to 2010.

11
00:01:05,420 --> 00:01:10,460
Countries were classified according to the respect they gave to women's economic and social

12
00:01:10,460 --> 00:01:11,180
rights.

13
00:01:11,840 --> 00:01:12,900
There were three categories.

14
00:01:14,120 --> 00:01:16,660
They were high, moderate, and poor.

15
00:01:17,520 --> 00:01:23,060
Analysis of the data showed that countries with strong women's rights had better health

16
00:01:23,060 --> 00:01:26,120
Then those were women's rights were not as respected.

17
00:01:27,040 --> 00:01:30,800
The Health Indicators studied included disease prevention,

18
00:01:31,680 --> 00:01:35,340
reproductive health, death rates, and life expectancy.

19
00:01:36,920 --> 00:01:40,300
Furthermore, in countries where women's rights were most respected,

20
00:01:40,700 --> 00:01:44,380
but where access to hospitals and doctors was below average,

21
00:01:45,140 --> 00:01:49,700
health outcomes were still better than in countries rated as moderate or poor.

22
00:01:49,700 --> 00:01:56,480
This confirms that, even with a lack of resources, if a country has strong women's rights,

23
00:01:56,860 --> 00:01:58,400
the health outcomes are better.

24
00:01:59,360 --> 00:02:04,240
Thus, the researchers argue that gender equality is not just a women's rights issue.

25
00:02:04,720 --> 00:02:06,540

It is also a development issue.

26
00:02:07,580 --> 00:02:10,460
This is because better health aids economic development.

27
00:02:11,300 --> 00:02:16,720
They note that the value of women's rights has often been questioned from an economic standpoint.

28
00:02:16,720 --> 00:02:22,740
Some have argued that ensuring those rights with limit progress, but this study indicates

29
00:02:22,740 --> 00:02:23,780
the opposite.

30
00:02:24,780 --> 00:02:29,160
Questions 16 to 18 are based on the passage you have just heard.

31
00:02:29,860 --> 00:02:30,700
Question 16.

32
00:02:31,720 --> 00:02:35,120
What did the researchers of the new study try to determine?

33
00:02:49,740 --> 00:02:51,440
Question 17.

34
00:02:52,740 --> 00:02:56,620
What does the passage say about countries lacking in medical resources?

35
00:03:11,420 --> 00:03:13,100
Question 18.

36
00:03:13,100 --> 00:03:18,360
What has often been questioned regarding women's rights?

37
00:03:32,020 --> 00:03:39,180
Passage to Sunshine and High temperatures can mean picnics and parks and trips to beaches,

38

00:03:39,180 --> 00:03:43,820
But, they can make your body react in some strange ways.

39
00:03:44,540 --> 00:03:48,280
First, sunshine can actually affect your breath.

40
00:03:49,100 --> 00:03:53,900
You may think that summer is the perfect time to go on a date, or chat with an attractive

41
00:03:53,900 --> 00:03:54,940
boy or girl.

42
00:03:55,660 --> 00:04:01,280
But excessive heat can cause you to lose water, which has been proven to have a pretty

43
00:04:01,280 --> 00:04:02,740
un-achuctive side effect.

44
00:04:03,380 --> 00:04:04,280
Bad breath.

45
00:04:05,280 --> 00:04:08,080
When you are lacking water, your mouth becomes dry.

46
00:04:08,080 --> 00:04:13,860
bacteria accumulates because there isn't enough water in your mouth to wash it away.

47
00:04:15,140 --> 00:04:22,320
Sunshine can stop you from sweating too. The body's normal temperature is 36 to 37 degrees

48
00:04:22,320 --> 00:04:29,880
centigrade, but if it heats up to 40 to 41 degrees, you may find yourself getting heat stroke.

49
00:04:30,719 --> 00:04:37,780
At that point, your heat regulatory system can essentially quit, which stops you from sweating.

50
00:04:38,540 --> 00:04:41,680
As your body tries to keep water around your vital organs.

51
00:04:42,760 --> 00:04:47,980
However, the sun can have a positive influence on your body by raising your energy levels.

52
00:04:48,680 --> 00:04:53,360
You might feel like the sun is giving you extra energy for your day, which is actually

53
00:04:53,360 --> 00:04:53,740
happening.

54
00:04:54,500 --> 00:05:02,160
and by the mindee from sunshine can help your body to absorb certain minerals which are linked to building stronger bones.

55
00:05:02,940 --> 00:05:13,380
Therefore, I suggest you spend more time in the park with your friends, but make sure you apply lots of skin protection and fill up those water bottles too.

56
00:05:14,340 --> 00:05:18,600
Questions 19-21 are based on the passage you have just heard.

57
00:05:18,600 --> 00:05:24,140
Question 19. What does the passage say about heart sunshine?

58
00:05:39,440 --> 00:05:45,460
Question 20. What does the passage say is a negative side effect of water loss?

59
00:06:00,240 --> 00:06:05,880
Question 21. What is said to be a positive effect of sunshine?

60
00:06:21,320 --> 00:06:22,440
Passage 3.

61
00:06:23,400 --> 00:06:28,520
Loft-handed people can find it inconvenient to do certain things, writing in a notebook,

62
00:06:28,740 --> 00:06:29,420
for example.

63

00:06:30,280 --> 00:06:33,380
But there are a number of advantages of being left-handed.

64
00:06:33,380 --> 00:06:39,000
Research found that they were overrepresented among fighters in combat sports.

65
00:06:40,260 --> 00:06:43,320
Left-handed fighters also had higher chances to win.

66
00:06:44,080 --> 00:06:46,100
This confirms the fighter theory.

67
00:06:47,280 --> 00:06:50,260
Left-handers may also be better at remembering events.

68
00:06:51,160 --> 00:06:56,660
The explanation is that the two brain spheres of left-handers are more strongly connected.

69
00:06:57,920 --> 00:07:01,340
Being left-handed might be a factor in mathematical ability.

70
00:07:01,340 --> 00:07:07,380
In Italian study found that for simple arithmetic there was little difference between right

71
00:07:07,380 --> 00:07:13,780
and left-handed performance. But for more difficult problems solving, left-handers won out.

72
00:07:14,600 --> 00:07:16,720
No one understands the reason for this.

73
00:07:17,780 --> 00:07:23,380
Left-handed people may think differently. In one study, researchers showed the participants

74
00:07:23,380 --> 00:07:28,680
callums of abstract illustrations and ask them which ones they would prefer.

75
00:07:28,680 --> 00:07:33,580
Left-handed people were more likely to prefer the images on the left.

76
00:07:34,620 --> 00:07:37,040
Right-handed people preferred the ones on the right.

77
00:07:37,960 --> 00:07:41,360
Both groups disliked stuff on their opposite side.

78
00:07:42,460 --> 00:07:46,920
Left-handers are also overrepresented in professional interactive sports.

79
00:07:47,820 --> 00:07:52,080
Researchers have looked at the influence of being left-handed on performance and interactive

80
00:07:52,080 --> 00:07:52,860
sports.

81
00:07:52,860 --> 00:07:57,960
Those that require the fastest reaction give left handers the biggest advantage.

82
00:07:59,440 --> 00:08:05,940
So, if you have a left-handed child, you should encourage them to play table tennis, baseball, and tennis.

83
00:08:06,580 --> 00:08:10,740
Being left-handed maximizes their chances of success in these sports.

84
00:08:11,620 --> 00:08:16,200
Questions 22 to 25 are based on the passage you have just heard.

85
00:08:17,000 --> 00:08:17,840
Question 22.

86
00:08:19,040 --> 00:08:21,580
What does the passage say about left-handed people?

87
00:08:36,480 --> 00:08:41,820
Question 23. What is said to be special about left handed people?

88
00:08:56,340 --> 00:09:03,300
Question 24. Why are left-handed people better at solving more difficult problems?

89
00:09:18,140 --> 00:09:23,320
Question 25. What should parents do about a left handed child?

90
00:09:38,480 --> 00:09:40,780
That's the end of listening comprehension.
