    A. They are well preserved and in pretty good shape.

    B. They are copies built to the architect's designs.

    C. They were designed by another architect.

    D. They were badly damaged but restored.

## 阅读 (Reading)

## Section A word_fill

选词填空

The sheets are damp with sweat. You're cold, but your heart is racing as if a killer just chased you down a dark street. It was just a nightmare, you tell yourself; there's nothing to be afraid of. But you're still filled with __26__.

Given how unsettling and haunting nightmares can be, is there a way for dreamers to __27__ or even turn off, these bad dreams as they happen?

Research is __28__, but some studies suggest that people who can master lucid dreaming—that is, the ability to be __29__ that a nightmare is happening and possibly even control it without waking up—may hold the __30__.

Doctors __31__ don't consider occasional nightmares a problem. They can just be symptoms of a sleep disorder that can __32__ from an unpleasant experience, stress, or certain drugs.

To treat the disorder, there are a number of medicines and therapies that are backed by __33__ research, according to the American Academy of Sleep Medicine, which analyzed the available research on the treatment of nightmare disorder in a recent __34__ published in the Journal of Clinical Sleep Medicine.

However, nightmares are complicated, and researchers are still struggling to understand them, said Dr. Rachel Salas, an expert on sleep disorders and an associate professor at Johns Hopkins Medicine in Baltimore. What we do know is that people __35__ to have different kinds of nightmares at different points during the sleep cycle.

**Word Bank:**

- amount
- answer
- avoid
- aware
- depart
- drastically
- fear
- limited
- mechanical
- result
- rigorous
- review
- tend
- timidity
- typically

## Section B paragraph_matching

段落匹配

**Section C** reading_comprehension

阅读理解

## 写作 (Writing)

Directions：Suppose you have just participated in a school project of collecting used books on campus.You are now to write a report about the project，which may include its aim，organizers，participants and activities.You will have 30 minutes to write the report. You should write at least 120 words but no more than 180 words.

建议时间：30 分钟 | 字数：120-180 | 分值：15

作答区

## 翻译 (Translation)

Directions：For this part，you are allowed 30 minutes to translate a passage from Chinese into English.You should write your answer on Answer Sheet 2.

都江堰（Dujiangyan）坐落在成都平原西部的岷江上，距成都市约50公里，始建于公元前三世纪。它的独特之处在于无需用堤坝调控水流。两千多年来，都江堰一直有效地发挥着防洪与灌溉作用，使成都平原成为旱涝保收的沃土和中国最重要的粮食产地之一，都江堰工程体现了我国人民与自然和谐共存的智慧，是全世界年代最久、仍在使用、无坝控水的水利工程。

## News Transcript (EN)

1
00:00:00,000 --> 00:00:09,660
College English Test, Band 4, Part 2, Listening comprehension, Section A, Directions.

2
00:00:10,440 --> 00:00:19,080
In this section, you will hear three news reports. At the end of each news report, you will hear two or three questions.

3
00:00:19,080 --> 00:00:24,180
Both the news report and the questions will be spoken only once.

4
00:00:24,780 --> 00:00:30,420
After you hear a question, you must choose the best answer from the four choices,

5
00:00:30,860 --> 00:00:40,420
Mark II, B, C, and D. Then mark the corresponding letter on Answer Sheet 1 with a single line through this enter.

6
00:00:40,420 --> 00:00:48,860
News report 1. A 22-year-old Chinese woman who suffered from a persistent cough was shocked

7
00:00:48,860 --> 00:00:54,780
to learn that she had a piece of chicken bone lodged in her lung. The unnamed woman

8
00:00:54,780 --> 00:00:59,740
from the province of Shandong started to have coughing problems when she was seven or eight

9
00:00:59,740 --> 00:01:08,000
years old. For 14 years, she made numerous hospital visits. However, no doctor could identify

10
00:01:08,000 --> 00:01:14,700
at any problem. Her uncontrollable coughing was a mystery. Finally, the woman got a full

11
00:01:14,700 --> 00:01:20,360
body scan at a hospital in the city of Qingdao. This special medical procedure revealed

12
00:01:20,360 --> 00:01:26,480
she had a chicken bone stuck in her lung. Doctors performed surgery and removed the bone.

13
00:01:27,020 --> 00:01:37,600
The simple procedure went smoothly and the woman has recovered fully. With the bone,

14
00:01:37,600 --> 00:01:40,020
from that annoying cough.

15
00:01:40,960 --> 00:01:46,040
Questions 1 and 2 are based on the news report you have just heard.

16
00:01:46,800 --> 00:01:47,900
Question 1.

17
00:01:48,300 --> 00:01:49,920
What was the woman's problem?

18
00:02:05,240 --> 00:02:06,380
Question 2.

19
00:02:06,380 --> 00:02:10,220
How was the woman's problem eventually solved?

20
00:02:25,440 --> 00:02:27,080
News report 2

21
00:02:27,080 --> 00:02:29,340
A white sheep named Prickles

22
00:02:29,340 --> 00:02:37,180
That ran away from an Australian farm during the 2013 bushfires recently returned home.

23
00:02:37,640 --> 00:02:42,940
According to Farmer Alice Gray, Prickles was only a lamb when she ran away.

24
00:02:43,320 --> 00:02:50,320
The bushfires that hit the area back then destroyed a large part of her family's massive property.

25
00:02:50,920 --> 00:02:53,260

They thought Prickles had died in the fire.

26
00:02:53,260 --> 00:02:59,840
But instead, the young sheep escaped into a 200 acre forest near the farm.

27
00:03:00,520 --> 00:03:05,340
Once the fires were over, the family had to fix the damage done to the farm.

28
00:03:05,780 --> 00:03:12,580
As it was such a large property, this included rebuilding about 50 kilometers of fencing.

29
00:03:13,120 --> 00:03:18,680
It was this huge fencing that prevented prickles from finding her way back.

30
00:03:18,680 --> 00:03:22,680
Over the years, the family spotted her a few times.

31
00:03:23,080 --> 00:03:27,600
They even recorded her with cameras installed to monitor deer activity.

32
00:03:28,180 --> 00:03:32,160
But while they knew prickles was alive, they couldn't find her.

33
00:03:32,500 --> 00:03:35,420
And never expected her to return by herself.

34
00:03:36,140 --> 00:03:39,160
Seven years later, they were proven wrong.

35
00:03:39,780 --> 00:03:44,060
Questions 3 and 4 are based on the news report you have just heard.

36
00:03:44,720 --> 00:03:45,700
Question 3.

37
00:03:45,700 --> 00:03:50,280
What does the news report say about the white sheep prickles?

38

00:04:04,880 --> 00:04:09,260
Question 4. What does the family do after the bush fires?

39
00:04:24,360 --> 00:04:26,000
News Report 3.

40
00:04:26,620 --> 00:04:32,660
Tons of gold have fallen out the sky in Russia, after a cargo plane malfunctioned in

41
00:04:32,660 --> 00:04:33,660
midair this morning.

42
00:04:34,160 --> 00:04:41,640
The aircraft was carrying 265 million pounds worth of gold and diamonds when the door flew

43
00:04:41,640 --> 00:04:45,000
open, sending the precious metal back to Earth.

44
00:04:45,880 --> 00:04:51,620
According to the official news agency, Russian authorities have recovered more than 170

45
00:04:51,620 --> 00:04:54,880
gold bars weighing 20 kilograms each.

46
00:04:55,480 --> 00:05:01,320
The plane was travelling from Yakuza airport in a major diamond producing region to the

47
00:05:01,320 --> 00:05:05,040
city across Nau Yurask in Siberia.

48
00:05:05,380 --> 00:05:11,380
However, the aircraft made an emergency landing in Magan, after it began losing some of

49
00:05:11,380 --> 00:05:18,320
valuable cargo. Reports suggest some bars of gold was scattered up to 15 miles away from

50
00:05:18,320 --> 00:05:26,000
the airport. Nine tons of gold on plain A N 12 belonged to a gold mine company. Please have

51
00:05:26,000 --> 00:05:31,160
sealed off the runway and say it is unclear if it was an accident or an attempted robbery.

52
00:05:31,940 --> 00:05:41,360
Technical engineers who worked on the plane prior to take off are reportedly going to be

53
00:05:41,360 --> 00:05:43,860
The news report you have just heard.

54
00:05:44,500 --> 00:05:45,500
Question 5.

55
00:05:46,040 --> 00:05:48,360
What is the news report mainly about?

56
00:06:03,440 --> 00:06:04,730
Question 6.

57
00:06:05,580 --> 00:06:08,730
What do the aircraft do when the incident happened?

58
00:06:23,770 --> 00:06:30,710
Question 7. What does the news reports say about the technical engineers who worked

59
00:06:30,710 --> 00:06:32,810
on the plane before take off.

## Conversations (EN)

1
00:00:00,940 --> 00:00:12,460
Section B, directions. In this section, you will hear two long conversations. At the end of each conversation, you will hear four questions.

2
00:00:13,060 --> 00:00:23,260
Both the conversation and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices,

3
00:00:23,260 --> 00:00:28,940
March A, B, C and D. Then mark the corresponding letter

4
00:00:28,940 --> 00:00:33,000
I answer sheet 1 with a single line through the center.

5
00:00:33,540 --> 00:00:35,000
Conversation 1

6
00:00:35,000 --> 00:00:38,900
Hello, you're through to customer service. This is Michael speaking.

7
00:00:39,340 --> 00:00:43,940
Before we continue, I just want to make you aware that this call is being recorded

8
00:00:43,940 --> 00:00:46,840
and may be used in the future for training purposes.

9
00:00:47,400 --> 00:00:48,960
What can I help you with today?

10
00:00:49,420 --> 00:00:51,720
Hi, my name is Jean Seaman.

11
00:00:51,720 --> 00:00:57,600
I recently bought an office chair from your company, but I returned it about a week ago.

12
00:00:57,860 --> 00:01:02,220

I'm just calling to inquire when I will be able to get my money back.

13
00:01:02,480 --> 00:01:08,260
It says on your website that your company will pay back the money within three working

14
00:01:08,260 --> 00:01:11,240
days of view receiving the returned item.

15
00:01:11,620 --> 00:01:15,820
But it's been five working days and I haven't received anything.

16
00:01:16,220 --> 00:01:18,060
I'm sorry to hear that, Mr. Seaman.

17
00:01:18,600 --> 00:01:20,580
What's your customer reference number please?

18
00:01:20,580 --> 00:01:24,880
It's 389-460.

19
00:01:25,560 --> 00:01:27,940
Okay, 389-460.

20
00:01:28,180 --> 00:01:33,100
I'm just looking on the system here and according to our records, the chair you returned

21
00:01:33,100 --> 00:01:36,060
was received by our warehouse on Friday morning.

22
00:01:36,300 --> 00:01:42,120
The payment was made on Wednesday, but this seems to be a problem with your card number.

23
00:01:42,540 --> 00:01:43,820
My card number?

24
00:01:44,180 --> 00:01:47,580
Oh, maybe it has something to do with my new card.

25

00:01:47,820 --> 00:01:49,860
It was sent to me on Tuesday.

26
00:01:49,860 --> 00:01:54,060
Maybe the bank cancelled my old one before you made the payment.

27
00:01:54,880 --> 00:01:58,580
Well, you'll need to update your card details directly on our website.

28
00:01:58,940 --> 00:02:03,900
Just make sure you logged in and then under the description of your personal information,

29
00:02:04,220 --> 00:02:07,640
you should see an option for updating payment methods.

30
00:02:08,240 --> 00:02:11,280
I am logged in and I'll give that a go.

31
00:02:11,600 --> 00:02:16,560
I'll make a note here on the system for you so that the payment will be made tomorrow morning.

32
00:02:16,940 --> 00:02:18,380
Thank you very much.

33
00:02:18,380 --> 00:02:24,640
Questions 8 to 11 are based on the conversation you have just heard. Question 8,

34
00:02:25,040 --> 00:02:28,680
why does the man have his conversation with the woman recorded?

35
00:02:43,840 --> 00:02:48,860
Question 9. What is the woman's purpose of calling the furniture company?

36
00:03:03,579 --> 00:03:09,100
Question 10. What does the woman say about her bank card?

37
00:03:23,839 --> 00:03:28,500
Question 11. What is the man advised the woman to do?

38
00:03:44,200 --> 00:03:45,480
Conversation 2

39
00:03:45,480 --> 00:03:47,100
I'm getting a bit hungry

40
00:03:47,100 --> 00:03:52,960
Yes, me too. I'm starving. Are you going to prepare a meal for us?

41
00:03:53,360 --> 00:03:59,620
No, sorry. I'm actually pretty worn out. Let's just go out somewhere close to eat.

42
00:04:00,200 --> 00:04:05,740
Well, I think we should stay in and save some cash. Can we get a meal delivered?

43
00:04:05,740 --> 00:04:12,020
Yeah, great. I'll use that food delivery app on my phone. What do you want?

44
00:04:12,740 --> 00:04:16,560
Fried chicken, hamburgers or fish and chips.

45
00:04:17,079 --> 00:04:21,180
Oh, can we stay away from the junk food? How about something healthy?

46
00:04:23,000 --> 00:04:26,120
Okay. Well, there's a place that does salads.

47
00:04:26,760 --> 00:04:30,300
Let me have a look at that. Yeah, that looks delicious.

48
00:04:30,300 --> 00:04:35,460
But, to be honest, I'd prefer something hot, not cold.

49
00:04:36,160 --> 00:04:37,520
How about Indian food?

50
00:04:37,980 --> 00:04:39,920
That's not the kind of hot I mean.

51
00:04:40,280 --> 00:04:44,100
I'm just not a fan of sauces that make me sweat and cry.

52
00:04:44,560 --> 00:04:45,840
I need something mild.

53
00:04:46,620 --> 00:04:50,500
Okay, so would you consider Mexican?

54
00:04:51,220 --> 00:04:54,340
Oh no, sorry, there's also very hot pepper in that.

55
00:04:54,720 --> 00:04:57,400
Would you like some Italian food, perhaps?

56
00:04:57,400 --> 00:05:02,560
It's a bit heavy, but it's great food for a cold night like this.

57
00:05:03,180 --> 00:05:05,800
Pizza, spaghetti with creamy sauce?

58
00:05:06,180 --> 00:05:11,660
I know it's really tasty and great comfort food, but it's too fattening for me.

59
00:05:11,940 --> 00:05:14,360
I'm trying to keep a slim figure, you know?

60
00:05:14,900 --> 00:05:17,560
Oh, you're really difficult to please.

61
00:05:18,220 --> 00:05:21,300
Well, there's a nice Chinese restaurant that delivers.

62
00:05:21,700 --> 00:05:25,000
Yes, I love Chinese food. Let me see.

63
00:05:25,000 --> 00:05:28,440

Oh, it's 15 kilometers away.

64
00:05:28,800 --> 00:05:30,680
That's a bit too far away.

65
00:05:30,900 --> 00:05:33,040
Do you feel like Vietnamese food then?

66
00:05:33,340 --> 00:05:34,260
Yeah, awesome.

67
00:05:34,640 --> 00:05:37,160
It's healthy and we can afford it.

68
00:05:37,440 --> 00:05:37,740
Great.

69
00:05:38,280 --> 00:05:40,980
Let's order Vietnamese right away.

70
00:05:41,440 --> 00:05:46,840
Questions 12 to 15 are based on the conversation you have just heard.

71
00:05:47,420 --> 00:05:48,400
Question 12.

72
00:05:48,900 --> 00:05:50,760
Why isn't the band going to cook?

73
00:06:05,880 --> 00:06:11,280
Question 13. What does the man say he'll do on his phone?

74
00:06:26,100 --> 00:06:31,260
Question 14. What does the woman think of Indian food?

75
00:06:46,460 --> 00:06:49,980
Question 15. What does the man think of,

## Passages (EN)

1
00:00:00,000 --> 00:00:11,680
Section C, directions. In this section, you will hear three passages. At the end of each passage, you will hear three or four questions.

2
00:00:12,140 --> 00:00:25,780
Both the passage and the questions will be spoken only once. After you hear a question, you must choose the best answer from the four choices, marked A, B, C and D.

3
00:00:25,780 --> 00:00:32,400
Then mark the corresponding letter on answer sheet 1 with a single line through the center.

4
00:00:33,300 --> 00:00:39,200
Passage 1. A new study carried out by the University of Lincoln has found a link between

5
00:00:39,200 --> 00:00:44,720
the personalities of cat owners and the behaviour and well-being of their cats.

6
00:00:45,580 --> 00:00:55,420
The finding suggests that just as a parent's personality can affect the personality of a

7
00:00:55,420 --> 00:01:03,380
Owners defined as individuals with high levels of anxiety, fear, anger, depression, and

8
00:01:03,380 --> 00:01:07,740
loneliness were more likely to have cats with behavioral issues.

9
00:01:08,440 --> 00:01:14,460
Such cats displayed more aggressive and anxious behavioral styles as well as more stress-related

10
00:01:14,460 --> 00:01:15,040
sickness.

11
00:01:15,700 --> 00:01:20,400
They were also more likely to have an ongoing medical condition and be overweight.

12
00:01:20,400 --> 00:01:28,160

The research also found that mentally well-adjusted owners had karma, happier and healthier

13
00:01:28,160 --> 00:01:34,920
cats. The researchers explained that many owners regard their pets as a family member

14
00:01:34,920 --> 00:01:42,200
and form close social bonds with them. The majority of owners want to provide the best care

15
00:01:42,200 --> 00:01:47,640
for their pets, and is therefore possible that pets could be affected by the way their

16
00:01:47,640 --> 00:01:54,280
is interact with and manage them. The study highlights an important relationship between our

17
00:01:54,280 --> 00:02:01,740
personalities and the well-being of our pets. Further research is needed to investigate the causal

18
00:02:01,740 --> 00:02:08,520
nature of this relationship and to look at how owners personalities are directly influencing

19
00:02:08,520 --> 00:02:17,620
their pets behaviour and well-being. It is possible that the well-being of pets is driven by the

20
00:02:17,620 --> 00:02:21,420
Not simply by their conscious decisions and behaviors.

21
00:02:22,540 --> 00:02:27,680
Questions 16 to 18 are based on the passage you have just heard.

22
00:02:28,240 --> 00:02:29,400
Question 16.

23
00:02:30,140 --> 00:02:34,060
What do we learn from the new study by the University of Lincoln?

24
00:02:48,980 --> 00:02:54,980
Question 17. What does the passage say most pet owners want to do?

25

00:03:09,840 --> 00:03:17,060
Question 18. What does the passage say is still needed to understand the effects of owners

26
00:03:17,060 --> 00:03:23,900
personalities on their pets.

27
00:03:34,440 --> 00:03:35,960
Passaged 2.

28
00:03:36,420 --> 00:03:40,260
160 minute run can add seven hours to your life.

29
00:03:40,680 --> 00:03:43,820
This was a claim made by the Times last week.

30
00:03:43,820 --> 00:03:48,920
The claim was based on a new review of studies about the effects of running.

31
00:03:49,460 --> 00:03:55,800
The review concluded that on average runners live three years longer than non-runners,

32
00:03:56,320 --> 00:04:01,320
and that running does more to extend life than any other form of exercise.

33
00:04:01,980 --> 00:04:04,760
But there's more to running than its health benefits.

34
00:04:05,520 --> 00:04:11,220
Research published in recent years has shown that running changes your brain and mind

35
00:04:11,220 --> 00:04:13,060
in some fascinating ways.

36
00:04:13,060 --> 00:04:17,700
From increasing your brain function to regulating your emotions.

37
00:04:18,740 --> 00:04:27,060
However, the precise effects vary according to whether you engage in short, fast running, or long distance running.

38
00:04:27,640 --> 00:04:37,280
For example, in one study, researchers compared participants' ability to learn new words after several minutes of intense running,

39
00:04:37,280 --> 00:04:45,420
And after 40 minutes of gentle running, participants were able to learn 20% faster after the intense running,

40
00:04:45,780 --> 00:04:50,580
and they showed a superior memory when tested again a week later.

41
00:04:51,440 --> 00:04:59,660
In another study, researchers asked volunteers to jog for 30 minutes and then showed them clips from a sad movie.

42
00:05:00,120 --> 00:05:07,140
Participants who usually struggled to handle negative emotions were more intensely affected by the sad clips.

43
00:05:07,280 --> 00:05:09,040
Just as you expect.

44
00:05:09,700 --> 00:05:14,580
But crucially, this was less so if they had completed the 30-minute jog.

45
00:05:15,320 --> 00:05:22,060
The researchers said moderate exercise appears to have helped those participants to be less vulnerable

46
00:05:22,060 --> 00:05:24,780
to the impact of the sad movie.

47
00:05:25,480 --> 00:05:29,920
Question's 19-21, a base on the passage you have just heard.

48
00:05:30,800 --> 00:05:31,660
Question 19.

49
00:05:32,540 --> 00:05:34,920
What do the new review of studies claim?

50
00:05:49,840 --> 00:05:57,160

Question 20. What is one effect that running has on people according to recent research?

51
00:06:12,280 --> 00:06:20,420
Question 21. What did another study find about the participants after they had a 30 minute

52
00:06:22,060 --> 00:06:22,900
jog.

53
00:06:36,280 --> 00:06:37,540
Passaged 3.

54
00:06:38,360 --> 00:06:40,880
Welcome to the tour of the Hill House.

55
00:06:41,400 --> 00:06:48,040
This house built in 1904 is one of the most well-known works of Charles Hill, the famous

56
00:06:48,040 --> 00:06:48,760
architect.

57
00:06:48,760 --> 00:06:53,440
It was designed and built for a local entrepreneur and his family.

58
00:06:54,120 --> 00:07:00,040
Before starting the tour, let me give you a brief introduction about the design of this amazing

59
00:07:00,040 --> 00:07:00,620
building.

60
00:07:01,240 --> 00:07:07,820
Prior to beginning his design, the architect spent some time in the client's old home, observing

61
00:07:07,820 --> 00:07:10,140
their life and studying their habits.

62
00:07:10,680 --> 00:07:14,980
This meant that he could design the house according to the needs of the family.

63

00:07:14,980 --> 00:07:22,060
The client's main desire was to have a home with a unique design, so the architect was given

64
00:07:22,060 --> 00:07:23,340
complete freedom.

65
00:07:24,020 --> 00:07:28,920
The building style is radically different from what was the fashion of the period.

66
00:07:29,680 --> 00:07:34,580
At the time, most large homes were constructed of timber and brick.

67
00:07:34,980 --> 00:07:40,840
This one, however, is made of concrete, a novel construction material in those days.

68
00:07:40,840 --> 00:07:47,040
The interior of the house, including fittings and furniture, was also designed by the same

69
00:07:47,040 --> 00:07:47,780
person.

70
00:07:48,160 --> 00:07:51,820
Most of the furniture you will see is original and in good condition.

71
00:07:52,700 --> 00:07:58,980
However, those pieces in the children's bedrooms are copies built to the designs of the

72
00:07:58,980 --> 00:07:59,540
architect.

73
00:08:00,320 --> 00:08:05,640
Fortunately, all the blueprints for both the building and its contents have been preserved,

74
00:08:06,220 --> 00:08:09,060
so we've been able to replace badly damaged furniture.

75
00:08:09,060 --> 00:08:12,780
Let's begin our tour starting from the rooms.

76
00:08:13,280 --> 00:08:18,980
Questions 22 to 25 are based on the passage you have just heard.

77
00:08:19,480 --> 00:08:23,140
Question 22. What do we learn about the speaker?

78
00:08:37,960 --> 00:08:44,140
Question 23. What do the architect do before beginning his design?

79
00:08:58,740 --> 00:09:06,020
Question 24. What do the architects client mainly want?

80
00:09:19,000 --> 00:09:23,120
Question 25. What do we learn about the

81
00:09:23,120 --> 00:09:26,560
the pieces of furniture in the children's bedrooms.

82
00:09:41,760 --> 00:09:44,160
That's the end of listening comprehension.
